

kMix Kitchen Machines – excluding KMX75 Series

Modification to Gearbox Cover & Spigot

Models affected: KMX5 – KMA5 - KMX6 - KMX7 - KMX8 - KMX9 Series

January 2016

From **15S52** the Gearbox Cover outlet bearing was modified, increasing the outer diameter from 20mm to 21mm. The Spigot was also modified to fit.

Original Parts: KW710639 & KW710637 are no longer available.

On models produced prior to 15S52, modified parts KW716688 & KW716689 must be fitted together.

KW710639 – original Cover

KW716688 – modified Cover

Part	Outside Dia. (mm)
Spigot after modification	21.22 <i>(20.10 before modification)</i>
Bearing after modification	21.00 <i>(20.00 before modification)</i>

KW710637 – original Spigot

KW716689 – modified Spigot – from 15S52

Please note, the modified Spigot, KW716689, can be used with KW710639 original Gearbox Cover
